## Having trouble getting started?

Try answering some of these "get to know you" questions:

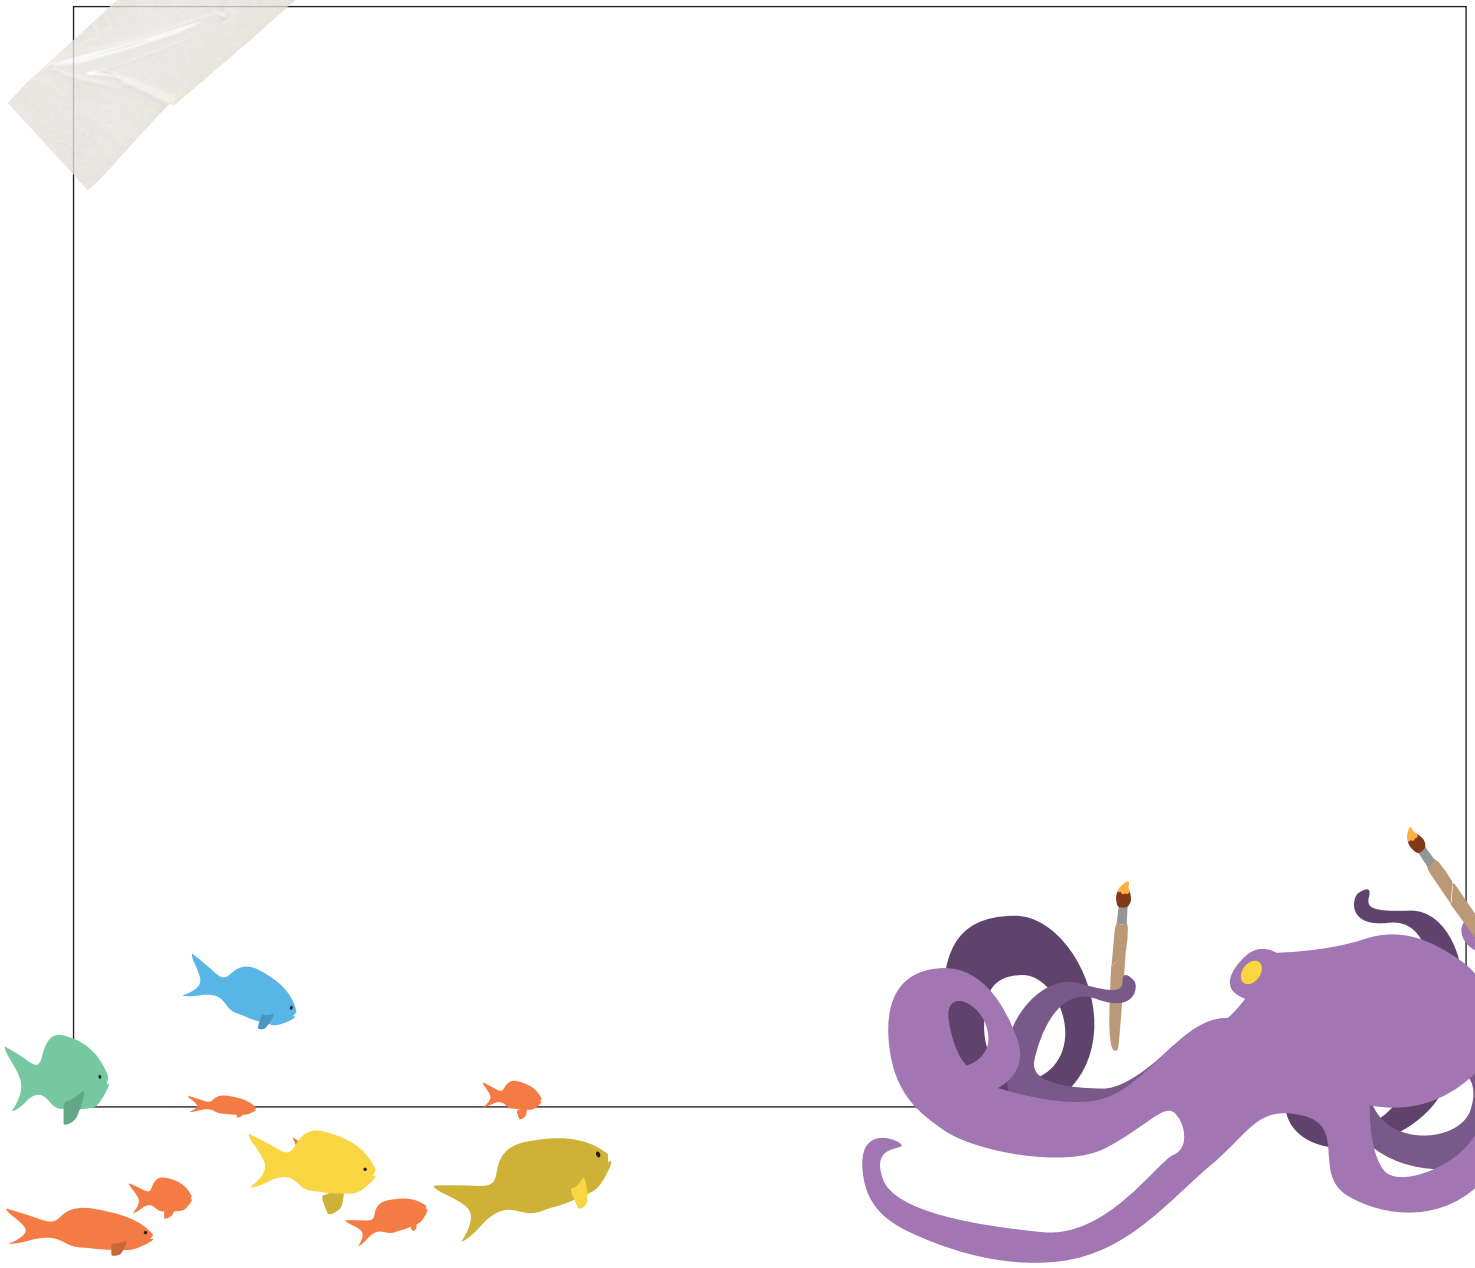

1. What's your game to play?
2. What's your favorite sea animal?
3. Do you have any brothers or sisters? If so, how many?
4. What is your favorite Bible verse?
5. How can your sponsored child pray for you?

## Extra Tips:

1. Keep it short and simple! Write about things your sponsored child can relate to, including God, family, sports, and hobbies.  
*Note: Please avoid talking about material possessions like your cars or the size of your house.*
2. Your child loves and needs encouragement. Tell them why you're proud of them or what sponsoring them has done in your own life.
3. Visuals never fail. Your sponsored child loves getting pictures of you and your family or postcards of places you've been.

# Be Creative!

## What you need to know:

### Would you like to send a monetary gift to your sponsored child?

When special events occur in your sponsor child's life, such as a birthday, help us celebrate your sponsor child by providing a class gift in his/her honor. Through your monetary donation, the local staff will purchase something the child's entire class can enjoy together, so your sponsor child can celebrate with his/her friends. Class gifts foster a positive sense of community amongst peers, and they build a child's self-worth and sense of belonging.

### Please keep in mind...

For the child's protection, sponsors may not give any personal contact information to their sponsored child and may not ask their sponsored child for contact information, including social media such as Facebook and email.
