Having trouble getting started?

Try answering some of these "get to know you" questions:

1. What's your favorite season?
2. What's your favorite holiday?
3. What is your favorite hobby?
4. What is God teaching you?
5. How can your sponsored child pray for you?

Extra Tips:

1. Keep it short and simple! Write about things your sponsored child can relate to, including God, family, sports, and hobbies.
Note: Please avoid talking about material possessions like your cars or the size of your house.
2. Your child loves and needs encouragement. Tell them why you're proud of them or what sponsoring them has done in your own life.
3. Visuals never fail. Your sponsored child loves getting pictures of you and your family or postcards of places you've been.

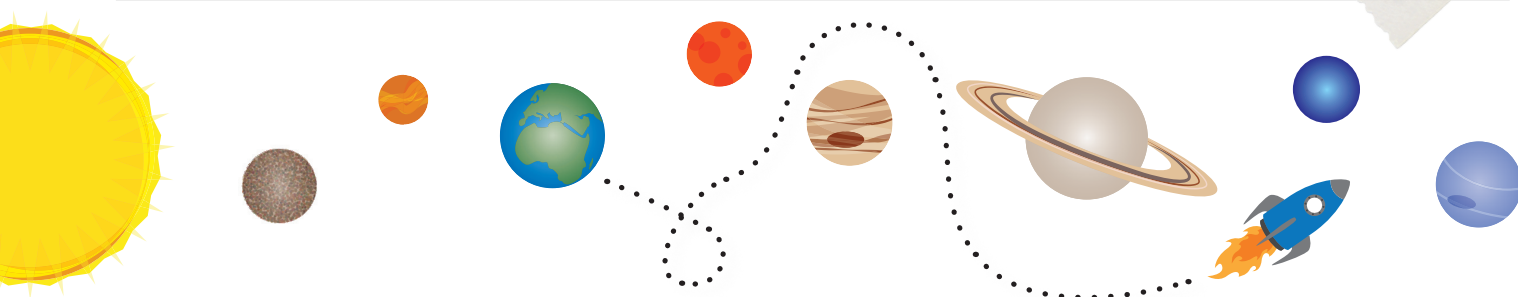

Be Creative!

Use the space below to draw, color, doodle, paste a sticker, or a photo. Have fun and express yourself!

A large, empty rectangular box with a thin black border, intended for children to draw, color, doodle, paste a sticker, or a photo. The box is positioned in the upper half of the page. There are two pieces of white tape on the left and right sides of the box, suggesting it's part of a larger sheet to be cut out.

What you need to know:

Would you like to send a monetary gift for a birthday or other occasion?

If so, we would suggest \$35 per child. The program director will purchase a needed item and deliver your gift.

Please keep in mind...

For the child's protection, sponsors may not give any personal contact information to their sponsored child and may not ask their sponsored child for contact information, including social media such as Facebook, Instagram, and email.
